

ICAD GROUP STARTUP INVESTOR: *You are the future*

FISCAL YEAR 2016-2017

INVESTOR BENEFITS:

This opportunity is for a new business that is considered a startup or entrepreneurial endeavor. This investor level is \$500 per year for a maximum of two years and provides the following benefits:

- Frequent e-updates regarding programs and development activity
- Access to advance copies of demographics research and special ICAD Group publications
- Opportunity to join task force groups around key development issues such as workforce, business development and entrepreneurial activity
- Invitations to special briefings and presentations
- Exposure to fellow key community and business leaders supporting ICAD Group economic development efforts
- Invitations to high-level networking opportunities and social events including three Investor Relations functions each year and two Creative Corridor Welcome Receptions
- Acknowledgement in ICAD Group annual reports with lead investors receiving special recognition in publications
- Recognition as an Iowa City Area Startup Business on the ICAD Group website
- Referrals of new talent to the corridor as part of the Corridor Connector Program

Your investment helps us create, collaborate and lead regional economic development initiatives that contribute to the creation and growth of companies, wealth and quality jobs.

ABOUT ICAD GROUP
